SUMMARY

I am a part-time video editor currently studying for a BSc in Computer Science. I enjoy creating videos and am looking for a job in video editing or IT. I have experience in sales, especially with electronic devices, and I am also skilled in accounting due to my background in commerce. I combine my creative skills with my knowledge of technology, sales, and accounting to deliver great results.

EDUCATION

Senior High School

IISR, INDIAN INTERNATIONAL SCHOOL RIYADH / Riyadh / April, 2010 - April, 2024

I recently completed senior high school and am eager to start my career. I have a strong interest in video editing and am currently studying for a BSc in Computer Science, Alongside my editing skills.

EXPERIENCE

Buying And Selling Product

Own / Riyadh / January, 2022 - Present

My Experience in Buying and Selling Products

For the past two years, I've been buying and selling products to meet my own needs and help others. I've learned how to find good deals, understand what customers want, and negotiate prices.

I'm always looking to improve and adapt to new trends in the market.

PROJECTS

Youtube Videos

I am a skilled video editor with experience creating engaging content for YouTube. I use tools like [Wondershare Filmora 12] to edit videos, add sound. I work well under deadlines, and love to edit videos and to learn new things.
